I don't see anyone we have worked with in the list of attorneys (other than SELC) or in the membership lists of the two associations.

Good Afternoon,

Please find attached an updated copy of the Attorneys, law firms, Intervenors, and subsequent Parties of Record for the Avoided Cost Methodology dockets. A spelling error for Attorney Belton Zeigler was discovered, and has been corrected.

We apologize for any confusion this may have caused.

Sincerely,

Afton
